Subject: Monthly CA NPDES Permit Contractor Status Report
Attachments: Copy of New CA NPDES Permit Status Tracking (10-5-15).xlsx

Hello Pascal,

Jim Parker is out of the office this week and asked that I forward along the most recent permit tracking list. Attached is the latest monthly status report for contractor-supported NPDES permits in California under Task Orders 32 and 38 through September 5, 2015. This list has been updated to include revisions from Technical Directive 4.

If you have any questions, please feel free to give me a call.

Thank you,

Dan Connally
